OUR VISION

To preach the good news of the kingdom of God, our hope of a world where every creature lives in peace, without fear, and we all live by the eternal law of love as the faithful and wise stewards of the whole earth that God designed us to be.

OUR MISSION

To provide a welcoming Christ-centered community for people to experience and share the love of God while learning about God's plan of salvation and restoration for the whole world through our Lord Jesus Christ.

ABOUT US

We are a group of Christian vegans, with a passion for sharing the message of God's love and mercy for His whole creation. We want to see God's perfect will be done on Earth as it is in Heaven, and to honor God's intent for humankind, which was – and is – peace and harmony among all creation. This has been His ideal from beginning to end, and we put our hope in His promise that He will accomplish His purpose.

OUR BELIEFS

God wants us to show compassion, love, and mercy toward every creature by living a peaceful, non-violent plant-based lifestyle that accords with God's original and perfect will for creation.

“They shall not hurt nor destroy in all My holy mountain, For the Earth shall be full of the knowledge of the LORD as the waters cover the sea.”
– Isaiah 11:9

We, along with all of God's creatures, look forward to a time when the Lord will restore the peaceful world He created in the beginning, reconciling all things to Himself. On that joyous day, every creature will sing praises together to our Creator.

“And I heard every creature in Heaven and on Earth and under the earth and in the sea, and all that is in them, saying: ‘To Him who sits on the throne and to the Lamb be praise and honor and glory and power forever and ever!’”
– Revelation 5:13
